S I R:

The following material is cited in compliance with the provisions of 37 C.F.R. 1.56 and 1.97 through 1.99. No representation is made or intended that a search has been made or that no better art than that listed is available. As to any material supplied herewith, Applicants do not admit that it is "prior art" under 35 USC §103, and reserve the right to antedate any such material, as by a showing under 37 CFR §1.131 or other method. It is respectfully requested that these patents and this publication be made of record in this application.
